Community Organization Workshop

CASA is hosting a special workshop for our staff and volunteers

Friday October 19th and Saturday October 20th, 2018

9:00am-5:00pm each day (you must attend both days)

W2O Office

100 Campus Drive Suite 300, Florham Park, NJ 07932

The 2-day Undoing Racism workshop is designed to train, educate, challenge, and empower individuals to undo the racially biased structures that may contribute to disproportionality in child welfare, with a focus on foster care and permanency.

Participants examine race, class, wealth, power, prejudice, implicit bias, and racism as a basis for effectively eliminating disparities in child welfare. UR training should be seen as a first step in collectively examining child welfare and court policies, practices and decision points for CIC cases, looking for any contributions they may be making to disproportionality.

We have slots for the first 40 people
Please RSVP to Paula ptyson@casamsc.org or 973.998.7590
